

CHAMOMILE HERBAL TEA

NewLife™ Chamomile Herbal Tea certified organic, assists in relieving a wide range of health ailments, including the common cold, stomach cramps and insomnia.

It is caffeine-free and contains elements that substitute as an all-natural relaxant from stress and restlessness. It is also anti-irritant, anti-inflammatory, and anti-microbial; making it a staple beverage in many homes today. Research has shown that the compounds within chamomile possess anti-cancer elements. Chamomile tea has been used traditionally for centuries as an anti-oxidant, mild astringent and digestion aid.
