

PURE CASTOR OIL

Castor oil offers a variety of healing benefits and is a go-to remedy for skin health and total body detoxification. It is mostly used externally, but can also be consumed for therapeutic purposes. The ricinoleic acid found in castor oil prevents the growth of bacteria, yeast and viruses while relieving pain and providing anti-inflammatory effects. When absorbed through the skin, castor oil stimulates lymphatic flow, which detoxifies cells throughout the body. Castor oil packs have shown to be beneficial for a variety of health conditions such as: AIDs, liver problems, joint pain, infections, hemorrhoids and many more.
