

CALCIUM COMPLEX WITH BORON

Research has shown that calcium deficiency increases the risk of osteoporosis and osteoarthritis. Calcium is an essential mineral for bone health and many other bodily functions. NewLife™ Nature's Gift Calcium Complex with Boron is a special blend of Calcium and Boron along with Vitamin A, Vitamin C, Vitamin D, Vitamin B12, Magnesium, Phosphorus, Zinc and Vitamin B6. These ingredients work synergistically to enhance bone strength and provide maximum absorption of calcium to the body.

BENEFITS

- Prevents osteoporosis and osteoarthritis
- Strengthens bones, joints, nails, teeth and gums
- Maintains healthy heart function
- Needed for muscular growth and the prevention of muscle cramps
- Helps keep the skin healthy
- Helpful for insomnia, nervousness, hyperactivity, high blood pressure and high cholesterol

KEY FEATURES

NewLife™ Nature's Gift Calcium Complex with Boron:

- A liquid calcium complex that supplies 10 essential minerals and vitamins combined for building strong, healthy bones.
- Fortified with Boron, an essential element for healthy strong bones.
- Contains chelated forms of minerals, which not only enhance calcium absorption, but also act as chelating agents to remove toxic metals from the body.
